Miami is unparalleled as a global business community, with a diverse workforce, innovation, and opportunity intersecting to produce a prosperous economy.

The Miami-Dade Beacon Council, the county's official economic development partnership, invites international investors and business leaders to visit our community for networking, site visits, and discussions highlighting the competitive advantages and strategic opportunities Miami offers companies and entrepreneurs.

Representatives from The Beacon Council and other local leaders will be on hand to speak to the complimentary, confidential services and programs available to companies looking to expand in Miami.

Please visit [BeaconCouncil.com](https://BeaconCouncil.com) to learn more, or email [info@beaconcouncil.com](mailto:info@beaconcouncil.com) to schedule a 1-1 meeting with a member of The Beacon Council's development team.
